Sadly your time was cut short. We are all blessed to have the legacy you left behind. Your humour and caring nature is reflected in Scarlett and Lily. It will live on in future generations.

A funny, kind and caring man, we had many good times together, we laughed a lot. We loved the stranglers & together we would sit and play them over and over while drinking Bacardi..of all things lol. Thanks for all the music clips you shared with me. Ho!Ho! Ho! (u know what I mean). I wished I saw you more often in the last few years. Sadly missed..... R.I.P my friend xxxxx
