

WEST TERRACE CEMETERY

GUIDED TOUR VISITOR INFORMATION

- DURATION:** Guided tours are 90 minutes in duration. They involve approximately 1.5-2 kilometres of walking over relatively flat terrain.
- SUITABILITY:** Visitors with a disability are strongly encouraged to speak to staff as the 19th century landscape can pose significant challenges for people with mobility restrictions. Tours can be re-designed to accommodate people with a disability.
- DRESS:** The tour takes place outside so please dress for the conditions. Comfortable clothing is recommended along with a hat and sturdy closed toe shoes (no high heels). If rain has been forecast, a raincoat and umbrella are advised.
- FITNESS LEVEL:** A basic level of fitness is required. The tour involves approximately 1.5-2 kilometres of walking over relatively flat terrain at an even pace. However, in some areas you may encounter slightly uneven surfaces underfoot.
- SMOKING & ALCOHOL:** Smoking and alcohol are not permitted on guided day tours and people under the influence of alcohol will not be allowed to participate in the tour.
- VEHICLE ACCESS:** The cemetery can be accessed via the main entrance at the intersection of Sturt Street and West Terrace. If you are travelling southbound along West Terrace your ability to turn right into the cemetery is restricted between 4pm and 10am.
- PARKING:** Limited parking is available onsite. As you enter the cemetery, turn to your left and park to the side of the roadway. Alternate parking is available on Sturt Street and Wylde Road. If unsure, please seek assistance from staff.

TOILETS: Male, female and disabled toilets are located just inside the main entrance to the cemetery. It is advisable that you use these facilities prior to the commencement of the tour as they are the only toilet facilities at the cemetery.

PAYMENT: Payment is required on the day, unless alternate arrangements have been made when placing your booking. Payment must be made by cash as there are no eftpos or credit card facilities at West Terrace Cemetery.

CANCELLATION: A minimum of 48 hours' notice is required.

If inclement weather is forecast for the scheduled tour date you will be contacted by the Adelaide Cemeteries Authority to discuss your arrangements.
